SALMON SEASON

Shipped Here This Week.

FROM CALIFORNIA.

The California salmon season closed last shipment reached the market this morning from California, which sold for 17½ cents a pound. Already shipments are on the way from Washington, so there will be no change in the price at present. The crab season has also closed, but will be reopened in about twenty days. Black bass were on the market yesterday, selling for 30 cents a pound. This is the first that has been on the market for the past three days, but the dealers believe they will be plentiful from now on. Black Prince, Muscat and Tokay grapes were shipped onto the market yesterday is carloads from California, but it did not change the quotations. The second crop of the Muscats came with yesterday's shipments and they were fine. They seem to be of better flavor and larger than the first crop. There were plenty of vegetables of every kind and the market as a whole was steady.

"I commenced using Postum—made it strong and drank it three times a day, and it has made the most wonderful change you ever heard of. It was not long until I stopped using my stomach pump, was not constipated any more and I have not bought a pill or any medicine since. It completely cured me and not only this, but we all think it a delicious drink—finest we have ever tasted." Name given by Postum Co., Battle Creek, Mich.

@ Fibroid Tumors Cured.

A distressing case of Fibroid Tumor, which baffled the skill of Boston doctors. Mrs. Hayes, of Boston, Mass., in the following letter tells how she was cured, after everything else failed, by Lydia E. Pinkham's Vegetable Compound.

Mrs. Hayes' First Letter Appealing to Mrs. Pinkham for Help: "DEAR MRS. PINKHAM: - I have been under Boston doctors' treatment for a long time without any relief. They tell me I have a fibroid tumor. I cannot sit down without great pain, and the soreness extends up my spine. I have bearing-down pains both back and front. My abdomen is swollen, and I have had flowing spells for three years. petite is not good. I cannot walk or be on my feet for any length of time. "The symptoms of Fibroid Tumor given in your little book accurately describe my case, so I write to you for advice."—(Signed) Mrs. E. F. Haves, 252 Dudley St., (Roxbury) Boston, Mass.

Note the result of Mrs. Pinkham's advice-although she advised Mrs. Haves, of Boston, to take her medicine - which she knew would help her her letter contained a mass of additional instructions as to treatment, all of which helped to bring about the happy result. "Dear Mrs. Pinkham: — Sometime ago I wrote to you describing my symptoms and asked your advice. You replied, and I followed all your directions carefully, and to-day I am a well woman.

"The use of Lydia E. Pinkham's Vegetable Compound entirely

expelled the tumor and strengthened my whole system. I can walk miles now. "Lydia E. Pinkham's Vegetable Compound is worth five dollars a drop. I advise all women who are afflicted with tumors or female trouble of any kind to give it a faithful trial."—(Signed) Mrs.
